

## DSAIA's 2025 Entrepreneur Showcase

This is your chance to showcase your business! DSAIA's Entrepreneur Showcase is part of our annual Leadership Conference which attracts over 200 attendees who come to get good ideas and find new resources. The Entrepreneur Showcase is a section of our exhibit hall that features businesses owned and operated by individuals with Down syndrome. In addition to shining the spotlight on the amazing work being done by individuals with Down syndrome, DSAIA wants to inspire our attendees to purchase from these entrepreneurs and get good ideas for their own communities.

### **Display Space:**

We've made it super easy to showcase your business with a tabletop display! Just send a sample (or two) of your product and a flyer about yourself and your business. You can also send an order form, business cards, or something that tells people how to contact you. There is no cost to participate at this level. All sample products sent will be given to attendees as door prizes at the conference. Once you have signed up for a display space, you can give your materials to someone who is coming to the 2025 DSAIA conference. Materials can be dropped off at the DSAIA Registration Desk between 2:00 p.m. and 5:00 p.m. on Thursday, February 20 or you can ship materials to address below.

### **Exhibit Booth Space:**

For a discounted booth rate of \$200, DSAIA will provide a dedicated space approximately 2' x 3'. This space is perfect for folks who have a lot to display and plan to be physically present at the conference. One complimentary registration is included in the booth fee; you are responsible for travel costs.

Entrepreneur Showcase materials can be sent to the following address to arrive no later than February 14. Send to:
